

It's that time of the year again for the Shaker Boys Indoor Track and Field program to show the community that we care. Once again we are asking our athletes to participate in the Troy Turkey Trot water stop.

Thurs. Nov. 24th (Thanksgiving) This year we will be working the water stop at the finish line which is located at the intersection of Third and Fulton Street. This is a big change from prior years. We are responsible for the grade school mile and 5K. We ask that athletes be dropped off at 8:45am (parking is very limited) and picked up at 10:45am. Any athlete who would like to race is welcome to run the 10K which starts at 11:00am.

Grade School Mile: 9:15AM

5K: 9:45AM

10K: 11:00AM
