

VVS Invitational Information and Race Assignments.

Unloading:

All buses will enter by the tennis courts to unload athletes. Drivers will then exit out the same driveway and follow the signs to park at the Madison Oneida-BOCES. We will have attendants there to help retrieve buses. However, it is strongly encouraged that teams exchange phone numbers with their drives if possible. We will have volunteer to shuttle drivers back to the meet if they would like to watch the races. Bathrooms will be available at BOCES. Attached is a list of shops for drivers to get something to eat. Coaches make sure you pass this information on to your driver.

Loading:

All buses will enter the bus loop of Beacon Light Road to load teams. Buses will be encouraged to shutdown and pull in their stop lights so others are able to leave. We will have attendants there to help retrieve buses. Again, it is strongly encouraged that teams exchange phone numbers with their drives if possible.

Tents:

Tents can be setup on the practice football field past the starting line and on the soccer fields.

Results:

All Results will be posted inside of the school

Finish Line:

We will be finishing on the football field inside of the track. Inside of the track fence is a restricted area. Only current race competitors, volunteers and coaches with passes will be allowed. Coaches inform your athletes and parents as team penalties will be applied if this happens. The coach's pass will allow the coach access into the finish through the gate closest to the chute.

Packets, Awards, DVDs and Shirts:

All coach's packets can be picked up in the brown building right next to the track. Voucher exchanges will also be made here. This area will also serve as the award pickup (trophies and shirts) and t-shirt sales. If athletes or parents want order a DVD of the meet, it can be done here as well.

Awards:

Trophies – Top 3 Varsity, First JV
T-shirts – Top 20 Varsity, Top 5 JV

Races:

Coaches make sure all athletes are entered ahead of time to make last minute changes for Pat Leone a minimum. We are allowing unlimited entries in all races. Please use great discretion when entering your athletes as there are only 35 minutes between races.

Bus Drivers:

Food and Coffee:

Heading west on route 31, there will be a Savon, turning left onto 365 there will be a Dunkin Donuts (2.5miles),

If drivers head straight across RT 365 and then take the first right they will get a very good local deli, RT 31 Express. The VVS coaching staff highly recommends it.

If drivers continue down 365 and turn right on Rt5 (5 miles) there will fast food alley in Oneida

To BOCES:

After unloading, drivers will leave the school and turn right onto Beacon Light. They will go straight on to Sarenski Road. At the end of Sarenski take a left on to Tilden Hill Road. Drivers will cross Spring Road and BOCES will be on the left. Enter through the last BOCES entrance. Our attendants will direct you were to park and where the bathrooms are located.
